Dear

As you are aware rule 83 of CGST Rules, 2017 elucidates the provisions relating to a Goods and Services Tax practitioner. The role of GST practitioner in successful implementation of GST cannot be over-emphasized. GST practitioner serves an important link between taxpayers and tax authorities. Since GST is a new law, both existing and new taxpayers will require assistance to ensure compliance under GST. The role of GST practitioner becomes very crucial to handhold the taxpayers and ensure ease of compliance.

2. In this regard, it is imperative that application for the approval of GST practitioners should be processed in a timely manner. Chief Commissioners may kindly monitor that the above mentioned applications are processed in a time bound manner.

With

Yours sincerely,
