It has been decided to award Commendation Certificates to the selected officers at the All India Level in different grades who, by their innovative ideas/continued devotion and commitment to duty, have contributed to promoting excellence in the fields of Central Excise and Service Tax administration. The objective is to give due recognition to officers who may have contributed significantly in diverse areas such as trade facilitation, automation, enforcement, audit, infrastructure development, human resource development, personal management, secretarial work, legislation, policy making, legal, judicial and training which often remain unrecognized by way of formal awards. The Commendation Certificates are proposed to be distributed on the Central Excise Day function being organized in New Delhi on 24th February, 2017.

2. For this purpose, the Chief Commissioners/Directors General may kindly send suitable nominations. Individual officers who consider themselves deserving for the commendation may apply to the respective Commissioners/controlling officers (in enclosed proforma) who may forward their application, after due scrutiny, to the concerned Chief Commissioner/ Director General, for further necessary action. In the description of significant contribution made, the role of individual must be clearly brought out as distinct from that of the organization or team that the officer was a part of. Details of cases where the officer has played a prominent role should be mentioned separately indicating the exact role played by the officer.

3. You may also ensure that the abstract showing the APAR gradings of the officer for the last five years duly certified by the sponsoring authority accompany the proposal. The vigilance clearance for the last five years should also be furnished along with the proposal. Care should be taken to send proposals of only such officers whose record of service integrity is absolutely beyond doubt. At the time of sponsoring the names itself, the sponsoring authority should satisfy that the officer is really a deserving candidate for the award and also enjoys an excellent general reputation.
